

Students For Liberty

Hi [NAME],

Happy Holidays! I hope you're doing well.

As you may or may not know, I am deeply involved in an organization called [Students For Liberty](#) (SFL). SFL seeks to help high school and college students become engaged in the political ideals of liberty by starting [student groups](#), hosting [conferences](#) for students to meet others dedicated to liberty, providing [books](#) for students to learn about the foundations of liberty, and much more. I am a member of **[STUDENT GROUP]**, a pro-liberty student group at **[UNIVERSITY]** that is part of the SFL network and has received support from SFL throughout the year. SFL has been an incredible resource to help me connect with other pro-liberty students and learn how to be an effective leader on campus. In short, it is an organization that I not only fully support, but has been instrumental in supporting me.

To celebrate the holiday season and take SFL to the next level by helping more students like me, SFL is having a fundraising drive called Give the Gift of Liberty (www.GiveTheGiftOfLiberty.com). The goal is to raise \$25,000 in the month of December to finish the 2009-2010 academic year strong. That \$25,000 will go toward providing SFL's key resources like the [3rd Annual International SFL Conference](#) (with 250 students this year!), the 2nd volume of the [Journal of Liberty and Society](#), and our many other resources for students to learn about liberty. What's more, if I can raise \$500 for SFL, I will get to have dinner with former Governor of New Mexico, Gary Johnson, at the [3rd Annual International SFL Conference!](#) And if I can raise over \$1,000, I will win a trip to FreedomFest 2010 and participate in an exclusive leadership training seminar hosted by SFL! What I am asking is if you would be willing to participate in the drive with whatever contribution you are comfortable in giving. A donation of \$10-\$20 would go a long way to helping me out and (but, of course, I won't stop you if you'd like to give more!). If you would be willing to help a cause that I am passionate about with a donation, you can either donate by check or credit card at www.GiveTheGiftOfLiberty.com.

SFL is a young organization, begun as a 100 student conference in February 2008 and officially incorporated in August 2008. What has amazed me, though, is the tremendous growth it has seen in just over a year of existence. In just over one year, SFL has turned into a network of over 200 pro-liberty student groups and thousands of students dedicated to liberty. This past fall, SFL ran 7 Regional Conferences all over the US that drew over 700 attendees to teach students about liberty and train them to be leaders of liberty! It has been inspiring to be part of this organization and I can't say enough things to describe how thankful I am to have received the support of SFL and be part of this amazing organization.
